

REGION ONE

Protecting Soil and Water Resources

**IECA Texas Stormwater Conference**  
**October 7 - 8, 2019**  
**Hilton Houston Post Oak | Houston, Texas**

## Save the Date!

Building on the success of the last year's conference, industry professionals are invited to participate in the 2019 **IECA Texas Stormwater Conference, October 7-8 in Houston, Texas**. Training sessions will cover industrial and construction stormwater, MS4 stormwater programs and other Texas-related stormwater issues relevant to your job or area projects.

Attendees will experience innovative solutions, products and a wealth of expertise of exhibitors and sponsors inside the IECA Exhibit Hall. This conference will provide something for everyone that manages stormwater in Texas as well as to offering access to experienced professionals with a Texas-specific portfolio. Hosted by the South Central Chapter of IECA and IECA Region One, the Second Annual IECA Texas Stormwater Conference is quickly becoming recognized as a key industry conference in Texas!
